Weatherwise

Words and Music by Eric Litwin

Standing there unprepared in the rain
Winds are blowing like a hurricane.
Wet and cold, through and through
Don't let that happen to you!

CHORUS

Put your boots on your feet (oooo that's sweet)
Put your raincoat on (it doesn't take long)
Put your umbrella up (up, up, up)
That's what you do when it's raining outside.

White snow, wind blows freezing cold
You're hanging round like an icicle.
Lips turn blue, cheeks turn red
I bet you wish you were warm instead!

CHORUS

Put mittens on your hands (yes you can!)
Put your hat on your head (that's what I said)
Zip your jacket up (up, up, up!)
That's what you do when it's cold outside.

Summer play, laugh and stay all day outside
Big Mr. Yellow burning in the sky
Sunscreen on, feet to your face
Protects you from those, harmful rays.

So put some shoes on your feet (ooooo that's sweet)
Put some sunscreen on (it doesn't take long)
Put a had on your head (that's what I said)

That's what you do when it's sunny outside.
That's what you do when it's raining outside.
That's what you do when it's cold outside.

The Three Little Pigs
(Traditional)
Adaptation by Eric Litwin
Copyright IMW Publishing 1996

This is a story
Of the three little pigs
Who had to build themselves a home of their own
The first pig grabbed whatever he saw
And built himself a house out of (straw)

On the count of three
Build a straw house for me
One, two, three: start to build now!
(Children make building sounds and movements)

Everything was alright
Until - (Howl!)
And he knocked on the door
(Boom, boom, boom!)
And the little pig said
(Who is it?)
And the wolf said:
"Little pig, little pig, (let me in!) (3x)
Not by the hair of my (chinny, chin, chin!)
I'm gonna (huff and puff)" - a little louder (5x)
And the house came tumbling down - RUN!!!
(Children pat their legs to sound like running)

Well the next pig
Thought he was slick
And built himself a house out of (sticks)

On the count of three
Build a stick house for me
One, two, three - start to build now!
(Children make building sounds and movements)

Everything was alright
Until - (Howl!)
And he knocked on the door
(Boom, boom, boom!)
And the little pig said
(Who is it?)

And the wolf said:
"Little pig, little pig, (let me in)" 3x
Not by the hair of my (chinny, chin, chin)
Then I will (huff and puff)" a little louder 5x
The house came tumbling down!
RUUUUUN!!!!
(Children pat their legs to make running sounds)

Well the last pig
Knew all the tricks
And built himself a house out of bricks

On the count of three build a brick house for me.
One, two, three - Start to build now!
(Children make building sounds and movements)
Everything was alright!
Until - (Howl!)
And he knocked on the door.
(Boom, boom, boom!)
And the little pig said
(Who is it?)
And the wolf said
"Little pig, little pig (let me in!) 3x
Not by the hair of my (chinny, chin, chin!)
I'm gonna (huff and puff)" a little louder 7 x

Nothing! The house didn't move!
It was made of brick!
And the pig went up to the window
And saw the wolf out there huffing' and puffin'
Like someone who smoked cigarettes.
And this is what the little pig said
"OH Wolf (OH Wolf)
How do you like me now?
(How do you like me now?)"
And the wolf said, "I don't like you at all!
I'm gonna run to your house, I'm gonna climb up
The side and I'm gonna eat you like a piece of barbecue
chicken!"
If I were you I would build a fire in the fire place and
Put a pot of boiling' water over it!
'Cause here comes the wolf and he's running' towards your house!
He's going' up the side
He's going' down the chimney
How's the boiling water? (hot!)
How's the fire (hot!)

Well that wolf landed in the boiling water,
He shot right back up through the chimney
Ran into the woods and he never bothered them again.
And that's the story of the three little pigs
And the big, bad wolf!
